## Holiday Homework

Session(2024-25)

**CLASS:- 5th**

### HOLIDAY HOMEWORK SESSION 2024 - 25

#### **\*Important Pointers for Holiday homework\***

- **Holiday Homework needs to be done in neat handwriting.**
- **Activities should be presented beautifully with excellent creativity**
- **Holiday Homework is mandatory to be done by all the students within the stipulated time**

**Subject: ENGLISH**

A) Read any two of given stories in your free time and do the given assignment  
(Refer E-Library)

- Story by Ruskin Bond- The Blue Umbrella / Getting Granny's Glasses/  
Crazy Times With Uncle Kin.
- Story by Sudha Murthy- How I taught My Grand Mother to read. • Story  
by Ranjit Lal- The caterpillar who went on a diet/ Our Nanna was a nut  
case.
- The Adventures of Sherlock Holmes.

All about my Favourite Character • Draw your favourite character • Pick out 15  
new words you have come across in your storybook. • Write the meanings of  
these words and make one sentence each. • Choose 10 adjectives and 10 verbs  
from the story.

**B) Watch a movie of your choice and complete the review below.**

- Name of the Movie: .....
- Your Rating: .....
- Genre: Comedy/Tragedy/Romance/Action/Adventure/Fantasy/Sci-fi(tick)
- Setting of the movie, Place: .....
- The main characters of the movie are: .....
- Who is your favourite character and why? Did you like this movie.....

- C) Everyone has a role model for people they look up in their life. For me that is 'My Father'. Write a paragraph and paste photograph on A4 size pastel sheet.
- D) Visit the following websites under the supervision and guidance of your parents and enjoy doing grammar exercises and games. (For all the students)

<http://learnenglishteens.britishcouncil.org/grammar-vocabulary/grammar-videos>

<https://www.grammarly.com/blog/category/handbook/>

Subject: MATHEMATICS
----------------------

A) For all: Learn & Write the tables from 12 to 20.

- Practice 20 sums each on Place value, Addition and Subtraction, Multiplication and Division and Basic geometry.
- Visit the following sites and enjoy doing Mathematics.
- Study at least 2 Vedic Sutras and practice 20 questions of each .
- <http://olympiadtester.com/>
- <http://www.softschools.com/>
- <http://www.mathopolis.com/>
- Being a mathematician is hard. Only a few people have mastered this subject and achieved fame.

B) Read about some famous Indian mathematicians. Choose any one and write in brief his/her contribution to Mathematics in around 250 words.

C) Take the last 5 digits of your father's/mother's mobile number. Rearrange the digits to form the largest 5-digit number. ii. Rearrange the digits to form the smallest 5-digit number.

D) Country A has a population of 7,27,31,291 . The area of the country is 19,57,963 sq. km. Another country B has a population of 7,64,32,181 and the area of the country is 12,86,263 sq. km.

**Answer the following questions.**

1. What is the total population of country A and country B?

---

---

---

2. What is the difference in the area of country A and country B?

---

---

---

3. Estimate the population of each area to the nearest thousand?

---

---

---

**Subject: SCIENCE**

"In the ebb and flow of Bihar's rivers, we witness nature's fury and resilience, reminding us of the delicate balance between life's abundance and its relentless challenges." Bihar is the most flood-prone state among all north Indian states. Bihar's flooding is primarily caused by rivers that originate in Nepal. Floods occur in North Bihar, during the monsoon season as a result of the very significant rainfall that Nepal experiences, which raises the water levels in these rivers, which are typically overcrowded.

Make a report on the cause and effects of the natural disaster – flood in the state of Bihar under the following headings:

1. The significant impacts and losses resulting from floods.
2. The role of human beings in destroying the environment which causes natural disaster?
3. The effect of flood on the animals and natural habitat of the area. Support your answer with pasting pictures.
4. Write the report on A4 size sheets and submit it in a folder.

### **Activity**

- Perform an activity based on physical and chemical change. Make video while performing.
- Make a project on different food components, their food resources and diseases caused by their deficiency in your scrap file along with pictures. What kind of food should we intake ?

**Subject: HINDI**

1) सुलेख कार्य : Write daily one page for practice.

- 2) पठन कार्य : Read any two story books in Hindi.
- 3) जैसा कि आप सभी जानते हैं कि इन दोनों गर्मियों का मौसम है और जैसे हमें पानी की आवश्यकता होती है वैसे ही पशु पक्षियों को भी पानी की आवश्यकता होती है तो आप अपनी छत में एक मिट्टी का बर्तन रोज पानी से भरकर रखें ताकि पक्षी आकर पानी पी सके ।
- 4) अंतर्राष्ट्रीय योग दिवस 21 जून : जैसा कि आप जानते हैं के 21 जून को अंतर्राष्ट्रीय योग दिवस मनाया जाता है। इस दिन आप भी योग से संबंधित कुछ क्रियाकलाप करेंगे और चित्र खींचकर एक स्कैपबुक (scrapbook) मले पेस्ट करेंगे।
- 5) जैसा कि आप सभी जानते हैं कि गर्मियों की छुट्टियां पड़ चुकी हैं और आप सभी कहीं ना कहीं घूमने जरूर जाएंगे । आप जिस जगह पर भी जाएंगे वहां पर आपको क्या अच्छा लगा, चित्र खींच आप एक स्कैपबुक (scrapbook) में पेस्ट क और साथ में आपको जो कुछ भी वहां पर अच्छा लगा उसके बारे में आप लिखेंगे। अर्थात आप एक पिक्चर (picture) पेस्ट करके उसके बारे में थोड़ा सा explain करेंगे ।

### Subject: Social Studies

- FOOD PLATTER (a) Paint a plain paper plate with any bright fabric paint. (b) Let it dry for 3-4 hours. (c) Paste the pictures of 5 popular dishes of the continent allotted to you.  
Roll No. 1 – 10 : Asia

1. Learn and Write the Exercise and Question Answers of Ch-1( Data Storage and Memory) in a holiday homework notebook.
2. Read Ch-2 (Introduction to Ms Excel)

<b>Subject: Fine Arts Homework</b>
------------------------------------

**Project Title:** “Nature’s Art Collage”

**Objective:** Create a beautiful collage using natural materials to explore textures, colors, and patterns found in nature.

**Materials Needed:**

- Cardboard or thick paper (as a base)
- Glue
- Scissors
- Collectible natural items (leaves, flowers, twigs, pebbles, seeds, etc.)
- Optional: Markers, crayons, or paint for additional details

**Instructions:**

**1. \*\*Gather Materials:\*\***

- Go on a nature walk to collect a variety of natural items like leaves, flowers, twigs, small pebbles, and seeds. Ensure you collect materials that have fallen naturally to avoid damaging plants.

**2. Prepare the Base:**

- Cut the cardboard or thick paper into a desired shape or size. A standard letter size (8.5x11 inches) is a good starting point.

**3. Design Your Collage:**

- Lay out your natural items on the base to create a design. This can be an abstract pattern, a landscape, an animal, or any creative idea. Play around with the arrangement before gluing anything down.

**4. Glue the Items.**

<b>Subject: G.K.</b>
----------------------

- Read & Write 10 News articles and paste the pictures related to same in a scrap book.
